

## **Our Prayer**

Lord, make me an instrument of  
your peace;  
where there is hatred, let me sow  
love;  
where there is injury, pardon;  
where there is doubt, faith;  
where there is despair, hope;  
where there is darkness, light;  
and where there is sadness, joy;

O Divine Master  
grant that I may not so much seek  
to be consoled as to console;  
to be understood, as to understand;  
to be loved, as to love;  
for it is in giving that we receive,  
it is in pardoning that we are pardoned,  
and it is in dying that we are born to  
eternal life.

Amen.

Adopted from the Prayer of Saint  
Francis—Prayer of Peace.

## **COALITION FOR CHANGE PNG INC**

## Our Vision

To work towards cultural change in Papua New Guinea, where violence especially spousal violence and violence against children is not tolerated and the rights of women and children are respected.

### Our Background

CFC PNG is a community based not for profit advocacy group launched in November 2008 to address the issue of gender based violence, particularly violence in the home.

It was formed following the presentation of a petition calling for the elimination of violence in the family, by Dame Carol Kidu Minister for Community Development, to the National Parliament on 9 October 2007. The petition was organized by a group of concerned women in response to an horrific act of violence against a pregnant wife by her husband. Public outrage saw 6,500 men and women sign the petition demanding serious government action on the issue of family violence.

CFC PNG sees its role as one of working with three tiers of society, by addressing the issue of violence against women and children, at the political, business and community levels. It seeks to change the attitudes of individuals so that women and children are treated with respect and dignity.
